

Lifesize Corporate Fact Sheet

About Lifesize

Headquartered in Austin, TX, Lifesize combines best-in-class, cloud-based video conferencing services with integrated equipment to help you present your business in the best light. Recognized as Frost & Sullivan's Cloud Video Conferencing Vendor of the Year, Lifesize leads the industry in customer satisfaction with the world's first 4K video conferencing solution and 4K service architecture. Together with a full suite of integrations and offerings designed for businesses of any size, Lifesize sets a new standard for workplace communication and productivity on a global scale. To see why companies like Yelp, Netflix and Major League Baseball rely on Lifesize for their mission-critical team communication, visit www.lifesize.com or follow the company @Lifesize.

Our Differentiator

Unparalleled quality, simplicity and consistency

Exponentially better than “good enough”

- The definitive solution for both high-powered meetings and everyday communications
- A better-than-real-life solution that lets you present your best self in every conversation

Communication for the modern workplace

- Universal functionality for all levels of business communications — conferencing, conversations, collaboration, presenting and more
- Integrates with collaboration tools you use every day for ease of use in your workflows
- Intuitive desktop and mobile apps, and cloud-connected meeting room solutions

Driven by customer obsession

- Industry leaders in customer satisfaction with world-class NPS score of 84
- Everything we do is designed, built and supported to make the experience excellent and effortless from day one
